

## **PRINCIPLES OF BUSINESS**

**Principles of Business** focuses on the theoretical and practical aspects of business activities. It provides a framework to assist in more informed decision-making by individuals in their role as producers or consumers.

An understanding of business principles in this course of study prepares Cadets to become more productive members of society.

The course also provides the opportunity for Cadets to develop the entrepreneurial and managerial skills necessary to survive and prosper in a local, regional and global dynamic business environment.

Principles of Business engages Cadets in conducting research which helps to improve their communication and critical thinking skills and creates an awareness of business ethics as well as social and economic responsibilities.
